

## Peace Be With You

After, "Thy Kingdom Come"

Please respond with "Thy Will Be Done"

Abba, Father; we humbly come before you, and before you dearest Jesus, our Lord and King. In complete and total adoration of you our hearts beat as one heart, with desire to be in perfect and beautiful rhythm with your heart, our God, our Father, Thy Kingdom Come, all: Thy will be done

Father, your children know the day we are celebrating today. This day is made possible by the Love of Heaven, and the Blood of Heavens King. Every day we desire to worship you more and better, because of the perfect Love and Justice, and Mercy that is you, that is given to us freely; and you Father, ask only that we be kind and good to each other, and that we should remain in your pasture, so that we can feed and drink in of all gifts of your Spirit, that make such glory, and joy and Love possible. We **worship** You, our God! Thy Kingdom Come, all: Thy will be done.

Dearest Father, Lord and King Jesus Christ; Send your Holy Spirit now, we ask, to guide our Prim Minister, Mr. Steven Harper. Instil in him, and in the minds and souls of his cabinet ministers, a great desire to ask you, to seek you, and to know what you would have them do. We ask that this worldly government find itself with a desire to seek your Guidance and your will before making a decision to do anything.

We request that you put into all world governments and leaders, a desire to listen to those present day prophets of yours who continue to do your will, and who preach the Gospel to all nations. Bless all who hold power over nations everywhere with a desire to hear your people, and to know **Your Kingdom**. Thy Kingdom Come. all: Thy Will Be Done.

Dearest Poppa, Abba; You know all hearts. Those of us who know your heart, know that you hold every single one of us in close and cherished love. No one is loved more than anyone else. No one is loved less than anyone else. In this world Father, there are so many needs, so much suffering. You know Father, that is very hard to pick out one or two to focus on, to bring to the people. There are so many who need your miracles in their lives. We know that you know them all. We pray for them all Father. Lord Jesus, we pray for them all, and simply ask that you grant them comfort to their souls suffering. Provide for all their needs. Protect the children and innocent. Put your guardian angels around each innocent life, be it human, animal, or even vegetable. We dare to pray even for the vegetation on this planet Father, for the rivers and waters also, to be free of pollution, that they may carry refreshment and cleansing to all. The people are blessed when the land is cared for and blessed. For **all** this dear Lord, dear Father, we pray, Thy Kingdom Come. All: Thy Will Be Done.

We ask Father, that those of us who suffer, may **rise above the suffering** that our flesh experiences. The power to rise above the suffering is ours if we just ask you for it. No matter how the flesh of this body appears to the human eye, or how loudly the body cries in its suffering, the Spirit you give us is able to calm the soul. So this we request; Your Holy Spirit to bless and calm our souls in suffering. now and at all times in the future, **when** we become ill and suffer. We hold up to you those who's names we bring to your throne now. **Vickie, Amber,**

Thy Kingdom Come.*

*All: Thy Will Be Done.*

*Lord, King Jesus The' Christ; We know You are preparing your soldiers for battle. This world has weapons it thinks to use against you. You have put into the hands and hearts of those who serve you, weapons unseen by this world. You have been teaching your warriors how to use those weapons. Love, Truth, Wisdom, Kindness, Hope, Faith, Trust, are the strength of Your Armies. When the trumpets sound, and the charge is given, those who are committed to You will be wielding very powerful weapons indeed. The Positive Power of your armies will be a terrifying force to behold, because the weapons are invisible to the eye. Those who have nothing more than their negatively charged and worn out tools of hate and destruction, will be filled with fear. Fear itself being negative will drain them of the last bit of energy they have, and they will be powerless. Lord, we know this, and we know that you do not put powerful weapons into the hands of little children, but rather, the commission is to those of your soldiers who are seasoned and trained and tried warriors of Righteousness. For this cause then we Reverently pray for the gift of maturity and wisdom, and that our Battle Cry at the Trumpet Blast be THY KINGDOM COME, THY WILL BE DONE. Amen, so be it !*
